Co-Administrators' message

The time has gone by so quickly and we are now at the end of another year for our branch. Even with being apart we have been able to stay connected.

We want to Thank LouAnn and Leah Marie for their work on selecting the scholarship winners for our branch. This is a time consuming and tedious job especially when you have to read it on the computer. Thank you for volunteering to do this for us. We appreciate it very much.

Thank you Linda for keeping our finances in order and doing our budget. Even though we don't have a big budget we need to stay within our budget and you have done us a good deed to keep us above water. Your volunteering is much appreciated.

Thank you Doris for all the communications work you do for our branch. It takes a lot of your time which you could spend doing family things or something more fun than sitting at the computer trying to figure out what else needs to be communicated. We appreciate your volunteerism to our branch.

We look forward to seeing you on June 15, 1:00 PM at Leah Marie's for our final business meeting of the 2020-2021 year.

It has been good to volunteer and serve our branch this past year.
